Tuition Assistance awards do not apply to most required fees. However, families receiving Tuition Assistance can receive financial support for school trips, Winter Wonder Days, Prom tickets, and athletic expenses. Contact Summar Aubrey (saubrey@sfprep.org) with any questions about Tuition Assistance and fees.

Legislation in 2023 expands the use of 529 plans to cover a portion of private school tuition. Visit www.theeducationplan.com for more information. If you

have questions about using a 529 plan for education-related expenses at Prep, please reach out to Sandy Stack (sstack@sfprep.org) in the Business Office.

Please note that the total cost to educate each student at Santa Fe Prep exceeds tuition and fees. The difference between total cost and what parents pay is covered by income from the school's modest endowment and the school community's generosity in response to fundraising efforts. Each family is expected to participate in the Fund for Santa Fe Prep. Thanks to our parents, grandparents, faculty, staff, alumni, and friends.
